THE GLORY OF THE CROSS AND THE POWER OF THE RESSURECTION!

Galatians 6:14 , Ephesians 1:19

**'He, who believes in Me, though he may die, he shall live'
(John 11:25).**

Jesus gave husband's life back

My husband, Arockiya Praveen Raj is working in abroad, past several years. Unexpectedly, his pancreas swelled and the infection from there spread to his lungs, which resulted in perforation in the lung. The fluids in the lung started oozing out. Hence, his trachea was affected and he could not breathe. His condition became serious and he was admitted in the ICU in a big hospital in that country. Even after placing him on ventilator and treating him with Tracheostomy, the doctors gave up hope.

I then met Dr. AnandaStira in person and told him about my husband's condition. He said, "Truly he is in death bed. Yet you have a boy child and both of you are quite young. So I will surely pray for him". So saying he prayed with tears, saying, "Oh, Jesus, remove all the sicknesses that are tormenting this dear son and deliver him from death". Immediately after this, I left for that country to see my husband. The hospital permitted me to meet him. He was in a pathetic condition in that ICU. He was bed ridden and could not talk or walk. He could do nothing. It was said that he was highly critical and would not survive.

From there, I again contacted Dr. Ananda Stira over the phone for prayers. He asked me to place the phone near my husband's ears and prayed with much burden for him. What a wonder! My husband, who was nearing death, got back his life and came alive. Now he is in perfect health. He has started going for his job. Glory be to the Lord! I thank God, with a grateful heart. Our thanks to dear Brother also!

Mrs. Evangeline, Trichy.

Ministry of Jesus

From the Editor...

I greet you all in the matchless name of the Lord Jesus, who suffered, died and rose again for us!

‘Just as many were astonished at you, so His visage was marred more than any man, and His form more than the sons of men’ **(Isaiah 52:14)**

According to the above verse, Jesus went through much suffering and affliction for our sake. The world condemned Him as a sinner. Because of severe suffering. His visage was so marred that He was unrecognizable. Nobody could recognize Him as a saint or as a Messiah. Yes, the same condition persists even today. We, who know Him, hesitate to recognize and acknowledge Him. The world, which does not know Him, also hesitates to acknowledge Him

Every day, the number of people, who suffer for Christ, in all nations is increasing. Their blood too is shed just as how Christ’s blood was shed. Dear Brothers and sisters, learn to live your life by acknowledging Christ. Do not be afraid to suffer for His sake. Endure all the sufferings with patience.

Just as how He triumphed over the cross, Jesus will grant us victory and help us live with Him forever and ever **(II Timothy 2:11,12)**

On the occasion of my father’s birthday on March 13th, many of you came in person to wish him; many others had sent your wishes through phone, whatsapp and by post. We express our gratitude for your love. Please continue to pray for the good health and long life of our dear parents.

The Glory of the Cross and the Power of His Resurrection!

Special God's Message : Dr. Ananda Stira

'But God forbid that I should boast except in the cross of our Lord Jesus Christ, by whom the world has been crucified to me and I to the world' (Galatians 6:14)

I mention of you in my prayers... that the eyes of your understanding being enlightened; that you may know what is the exceeding greatness of His power toward us who believe, according to the working of His mighty power which He worked in Christ when He raised Him from the dead...' (Ephesians 1:16, 18-20).

My dear children of God,

I greet you all in the name of the Lord and Saviour Jesus Christ! Every day, we plead and pray for you that you should be filled with all spiritual as well as worldly blessings.

Particularly, on the occasion of my 70th birthday on March 13th, 1most of our dear partners met me in person, greeted me and my family and prayed for us. A few could not make it since they could not avail leave and yet sent me wishes and prayed for me. I thank each one of these dear children of God!

All of you encouraged me, a physically frail man, with your loving and genuine wishes and sent me promise verses. It warmed my soul and gave me a great joy. In fact I felt as if I received a new strength. I thank each one of you who wished me as per Paul's command seen in Romans 16:16, 'Greet one another with a holy kiss...' Also, thank you all for the love that you have shown to me and my family, in Christ. May the Lord continue to bless you more and more!

Dear child of God, this month, we specially remember the Lord's sufferings on the cross and His resurrection. As Paul says, 'God forbid that we should boast except in the cross of our Lord Jesus Christ' (Galatians 6:14). The reason, this world is fake and all the things seen here are also false and fake. Everything is like a shadow and the flower of the grass that blooms in the morning and wilts in the evening. The only thing that is not destroyed in this worldly as well as in heavenly life is the sufferings of Christ on the cross. Yes, here, I would like to write to you about the power of Christ's blood, shed on the cross.

Are you washed in the blood of Christ Jesus?

Now when He had taken the scroll, the four living creatures and the twenty-four elders fell down before the Lamb, each having a harp, and golden bowls full of incense, which are the prayers of the saints. And they sang a new song, saying:

***“You are worthy to take the scroll,
And to open its seals;
For You were slain,
And have redeemed us to God
by Your blood
Out of every tribe and tongue and
people and nation,
And have made us kings and priests
to our God;
And we shall reign on the earth”***

Then I looked, and I heard the voice of many angels around the throne, the living creatures, and the elders; and the number of them was ten thousand times ten thousand, and thousands of thousands (Revelation 5:8-11).

We see millions of saints in heaven singing and praising Jesus. The reason, without the shedding of Christ's blood, the gates of heaven will not open to anyone. I have experienced this personally in my second time death. Heaven, the abode of God, is more glorious and excellent than our earth, the surrounding sky, stars and planets and it is so vast that its breadth, length and height cannot be measured by man. It is eternal. It cannot be destroyed. This worldly life would exist today and

vanish tomorrow. On the other hand, heavenly life is a life that is eternal and keeps growing in glory after glory, minute by minute. It is impossible to describe its glory and excellence from earthly point of view. It is true that heaven in which the Almighty God dwells really exists.

The people of the world may say that there is no heaven or hell or Hades and that there may be a place called Purgatory. They may talk as they like; but all these are purely man's imaginations. Thrice I had died and was brought to life by Jesus during which time I had seen all the three places. Heaven is the place where the saints who have accepted the Lord Jesus and who have been washed by His blood enjoy living with God in all glory in proportion to the sufferings that they faced on this earth.

It is not easy to enter into heaven. The gates of heaven are very, very big. They are wide at the entrance but become narrower in the end. This gate is guarded by two glorious and holy Cherubim that blaze like fire. They have six wings and hold fiery swords within these wings. To enter heaven, you have to cross these Cherubim. The soul of a believer who has accepted the Lord Jesus and who lives for Him, would be brought to the gate of heaven by the angels appointed to him/her, soon after his/her death. The sight of the angels who guard the gate would be terrific. Even if one of the angels flutters his wings, several hundreds of stars would be burnt to ashes. In that case, when the little soul of a believer stands there, all they ask him/her is, 'Are

you washed by the blood of Jesus (till the day of death of the believers). It is Jesus, who has to testify that that soul has been washed by His blood. Only after that the soul can enter into heaven.

You can never enter heaven with your religion, religious doctrines, good works, church denomination, your charitable deeds, your educational qualifications, wealth and positions. Nobody cares for that in heaven. 'It is appointed for men to die once, but after this the judgment' (Hebrews 9:27). After you die, you cannot take any of your positions, your pride and glory. Your soul has to either go to heaven or to Hades. Any man, who dies of sin, cannot ever enter into this heaven. No amount of self-restraints, meditations, or rigid penances can take you to heaven. Whoever you are, you will be in the hands of the mighty angels of the Lord and it is they, who will take you to heaven.

When I died the second time, there I was not asked anything about my education, my job, my caste, my status, my church or about the charitable and generous things that I did.

They asked me just a single question –“Are you washed by the blood of Jesus Christ, the Lamb?” In that instant, the sacred blood from the hand of Jesus fell on my soul. After that, the gate of the glorious heaven was opened to me.

Jesus said, 'I am the way, the Truth and the Life' (John 10:7; 14:6). How true this is! If the Most High God, who rules over the

universe, stretches forth His both hands, the whole universe will break like a pappadam. This Most High God was manifested in the flesh. As a punishment for sin, He faced death on the cross. 'He, being in the form of God, did not consider it robbery to be equal with God but made Himself of no reputation, taking the form of a bondservant and coming in the likeness of men, became obedient to the will of God and to the point of death' (Philippians 2:6-8). As a result of this, He gave Himself up to die on the cross, like an ordinary criminal (Luke 22:37). They pierced His side with a spear and drew out even the last drop of blood (John 19:34). He shed His spotless blood for our sake, to cleanse us, the sinners, of all sins and remove the enmity between us and God. There is no remission of sin, without shedding of blood (Leviticus 17:11; Hebrews 9:22). Nobody can kill Jesus, the Son of God since He is mightily glorious (Matthew 17:1-6; John 10:18). To be precise, God made the Redeemer Jesus, who knew no sin to be sin for us and bruised Him (II Corinthians 5:21; Isaiah 53:10). Because of His outstanding love for us, the enemies of God, He accepted the punishment that ought to come upon us, through His death on the cross. This is the greatest privilege that we have obtained.

Once, Sadhu Sunder Singh, who was mightily used by God, had to go through a particular path, taken by most people. This path had a pit covered by a small door made of iron mesh. Most of the people failed to notice it and crossed over it; some others

ignored it and proceeded on that path. Some people keenly looked into that door and threw small pieces of food into it. When Sadhu Sunder Singh passed by that path, he looked into that door and saw a monk sitting inside the pit, in harsh penance. On seeing this, Sadhu said to him, "Sir, you are doing such a severe penance by restraining yourself. So you must truly be a saint". That monk replied instantly, with deep sorrow "Don't call me a saint. Even though I am doing this penance, my heart is defiled; though I don't commit sins like others with my hands and legs, I am a sinful man in my mind and heart. This penance is unable to set me free from a sinful mind'

Yes, many people wrongly assume that they can reach heaven, the abode of God by constraining themselves, by having simple food, by doing hard penance for several hours and by doing good to the poor and the needy. However, the truth is as said by Jesus, "No one comes to the Almighty Father except through Me'(John 14:6).

My dear people of God! Whenever we think of the sufferings and resurrection of the Lord, from the beginning of this month, let us remember the blood that He shed for us and let us praise Him! Let us exalt Him! Let us glorify Him! Let us tell others about His blameless genuine love! We have received eternal life only through the death of Jesus on the cross.

Also, by the wounds in the body of the Lord Jesus Christ, we are healed of all kinds of diseases and are made whole (Isaiah 53:5). You know about this from the healing

that takes place among the sick people, whenever I talk about Jesus in our every meeting. There is no disease or sickness that cannot be cured by the stripes of Christ. All kinds of sickness will be healed by His stripes! When you fall terribly ill, your sickness will vanish when you remember the sufferings, death and resurrection of Jesus. Since He suffered for us, He appears closer to us when we become sorrowful. Sometimes, He touches us with His nail pierced hands and heals and comforts us. This is how Jesus healed your dear sister, my wife Mrs. Margaret from her throat cancer. Today, she is in good health all these 35 years. The cancer never recurred. There was no need for chemo and radiation therapies. Praise the Lord!

The Power of Resurrection

The final battle that every man has to face in his life is death. Solomon, the great wise man, says that nobody can escape from this war (Ecclesiastes 8:8; Psalm 22:29; 49:12,14; Isaiah 5:14; 14: 11,19 and Job 10:20,21). The punishment that was given to Adam and Eve, our forefathers as they failed to obey the Almighty God, was death(Genesis 3:19; 6:3; Ezekiel 18:4,24). All of us were enslaved by sin and have fallen into the hands of satan, the ruler of death. Hence, no matter how famous or popular we are in this world, nothing can stand forever. One day, when we die, our bodies will be infested and eaten up by worms and insects. Even memories about us may vanish, after a few years.

The Lord God never created Adam and Eve to curse them saying, 'You shall die'. Instead, He wanted them to live long, multiply and live for the glory of His Kingdom, in this world. God lives forever! There is no death in Him! There is no death even in heaven, where He dwells! (Revelation 21:4). Though God warned Adam and Eve, they did not obey His voice and handed over the good world that He gave them, to the devil, the angel of death. That's why, even today, we have to undergo the sufferings caused by lot of deadly sicknesses. Yet, do not be troubled!

By His death, the Lord Jesus Christ has defeated Satan the ruler of death. (Hebrews 2:14,15). On the third day He attained the glorious resurrection. By this, we would hear the voice of God, one day. Then our fleshly body would become the glorious body of heaven (I Corinthians 15:43; John 5:25). We have victory by the resurrection of Christ, always. Hence, let us run for Him. Let us support ministries! (I Corinthians 15:57,58).

The loving God offered Himself as a sacrificial offering for our sake and hence we do not sin, remembering His great love. Let us offer our flesh to be crucified on the cross (Galatians 2:20). Also, Christian life is a life that denies the 'self' and bears the cross, every day. That's why this world hates us. But the Lord loves us. He loves us dearly. He transforms us into a new creation.

The Lord fills all of us, who have accepted the Lord Jesus Christ, with the

power of His resurrection. Just as how God used Paul and the disciples, He uses us also mightily in the ministry. The early Apostles and the saints, who shook nations, were filled with the resurrection power of the Lord Jesus Christ. The Lord did mighty miracles through them. When we, who are filled with the Holy Spirit, remember His resurrection, a glorious faith enters into us. That's why, as Peter and John said, He gives us the strength and resurrection power to do anything in the name of Jesus, the Prince of life (Acts 3:15,16).

Legs strengthened by the power of Resurrection! Dead man brought to Life!

Once, I was sharing God's message during a meeting held in the C. S. I Grounds, Erode. They had brought a lame man, who could not walk since birth. I asked him to get up and walk and immediately he began to walk.

In a distance from there, people were carrying the dead body of a widow's son, for cremation. The relatives were non-Christians but that widowed mother was the only Christian in that family. So she could not get permission from any place to bury her son and hence had to go by her relatives' advice to cremate his body. That mother had named her son Joseph. He was 24 years old. The whole ground was packed with people. Beyond the ground were lot of shops and streets and hence I could not see anything clearly. However they were closer enough to hear my voice over the loud speaker. That son had died because of a particular sin, which he had committed

repeatedly. Suddenly, the Holy Spirit called out that mother's name through me and said, "You are carrying the body of your son Joseph for cremation. Jesus Christ is the resurrected Lord. Now your son will come back to life and rise up from the bier through the resurrection power of Christ. The Lord is bringing back your son to life". Once the meeting was over and thanksgiving prayer was held, that mother and son testified.

Organs Functioned because of the Power of Resurrection.

Also, once, a child by name Shoba, was brought to me. She was 6 years old but she looked like a 3 months old baby. Her physical growth was stunted and most of her organs were not functioning. Her heart was in the stomach area. Doctors of reputed hospitals in cities like Coimbatore, Erode and Vellore gave up hope and said that she would not survive. At that juncture, a Christian nurse, who was the child's relative, brought her to me for prayers. I had no hope, when I saw her. Yet, I said to the nurse, "Jesus Christ lives even today. He is praying for us from the right hand side of God. So, do not be troubled" I then asked her, "Where are the child's parents?" She

said, "They are not Christians and so they have not come to this meeting". I told her to go and tell them that Jesus would touch their child and asked them to give me three days' time. She went back with faith and informed this to the parents. The next Friday when the meeting was over, the father of the child Mr. Pazhanisamy Gounder called me over the phone and said with tears, "As you said, Jesus came to our house and carried my child. He blessed her. Now she has become normal and looks like a 6 year old girl. She has got back her eye sight, can hear well, and talks well". They testified that then she had joined an English Medium school and that Jesus had touched her who could not see, hear or speak properly and had granted her 100% healing.

Yes, dear ones, Jesus is alive even today. Hence, He will perform great miracles in our lives also. There is no doubt in that. May the Lord be with you and do great things in your life!

Now, He is soon going to come as the King of kings and not as a man. Let us prepare ourselves. Let us wait for His coming! Let us be united! Let us see great things!

Praise Report

Gift of a child after 16 Years!

My relative's son was married before 16 years and yet did not have a child. They underwent all kinds of treatment but went in vain. Doctors said that there was no hope for them to have a child. Hence, they were in despair and had lost all peace.

Since that son was working in Chennai, I asked him to attend the meeting held by Dr. AnandaSтира and meet him personally for prayers. The couple attended the meeting held in Chennai. Knowing their situation while praying, dear Brother prophesied, "Who said that you will not have a child? You are going to be blessed with two children". According to Brother's prophecy, the daughter-in-law got conceived and this was a surprise to them. The Almighty God blessed them with twin girl babies in December 2022. All of us are thrilled that they have got this gift after 16 years! We praise the Lord for this miracle!

Mrs. Daisy Ammal, Devakottai.

The Lord gave back the lost job!

My sister's son is working in a college. He faced lot of struggles in that job. Eventually he had to lose his job because of the jealousy of certain people. That time, with tears, my sister and I attended the Family Blessing Meeting held in Trichy and prayed. Even as we were returning home after prayers, we got the good news that the college principal had called him back for work. The Lord also did yet another miracle. He was not able to get the approval for his Ph.D until then. The Lord graciously helped him to get that approval the very next day. The Lord Jesus granted double blessings even before we could reach home, after the prayer. Praise the Lord!

The Lord granted a miraculous healing and anointing!

My name is Manimegalai. Recently I became very weak because of low pressure. That time I contacted Dr. AnandaStira over the phone and told him that I could not do bear that weakness. Immediately he said, “Don't be afraid; Jesus will come to your house” and prayed for me. After that I was lying down begging the Lord to spare my life, thinking of my children. In that instant I saw a hand coming towards me thrice. When I asked, 'Lord Jesus, is that You?', the hand again appeared and reached me. I became normal and got up from my bed.

When I attended the meeting held in Tanjore, during the prayer time, Sister Dr. Jane Joshua, said that the Lord was removing the weakness of heart. That time I felt a mighty power coming upon me. She further said that the Lord was pouring down His anointing upon all those who were longing to do ministry. In that moment, the Lord's anointing came upon me. Praise the Lord!

*- Sister. Manimegalai,
Pattukottai.*

The Lord granted the Gift of a child!

My name is Marybai. My daughter did not have a child, even after several years of married life. Hence I was deeply worried over this. In 2022, I came to the meeting held in Nagercoil and requested Dr. AnandaStira to pray for my daughter. After praying for her, Brother said that she would have a child by next year. As said by Brother, the Lord had mercy on my daughter and blessed her with a baby on January 14th. Let the name of Jesus be glorified! We offer our vow offering for the Ministry of Jesus!

*Sister Marybai,
Kanyakumari.*

God's blessing in a partner's life

During my young days, when I was struggling with lot of afflictions, Dr. Ananda Stira prayed for me earnestly and encouraged me by prophesying that the Lord would surely bless me. Till now he is guiding me with his prayer and good counsels.

As Brother had said, I got a good job and got married. The Lord has given us a comfortable house. Our child, when born, had to be kept in the incubator for a few months; yet because of the grace of God and by the prayers of dear Brother, he is now keeping good health and is normal.

The main reason for all these is the fervent prayer offered by dear Brother. Hence, I am helping the poor students in the S.J. Saves Trust by providing them with good food, all through my life. Prior to this, I had provided clothing to 100 children living in huts. Praise the Lord!

Mrs. Dushani

Miraculous healing from stomach cancer!

I am living in Salem District. I am working in a bank. Suddenly I developed problems in the stomach and suffered from pain. When I went to the hospital and took certain tests, I was found to have cancer and the doctors said that I needed to go for radiation and surgery, failing which my life will be at stake.

We were scared and cried a lot. I have two daughters. My wife is working as a Professor for the Nursing Students. My sister Jenitha and her husband Pr. Christopher are supervising the 300 poor students, who are learning in the S.J.S.T Tuition Centre. Hence, I was able to get the chance to meet dear Brother.

On seeing my both little children, dear Brother was moved with compassion and offered a short prayer for me, placing his hands on the affected area in my body.

That time I felt a power coming upon me. After a few days, I visited C.M.C hospital in Vellore. Here I again underwent all the tests. They took biopsy also. Finally, all the results came out to be normal and they said that I was cancer free. My wife and I were thrilled! We offer our grateful thanks to God, who granted this miraculous healing, heeding all the prayers. Now I am in robust health and go for my job regularly. Praise the Lord!

Mr. Stanley Packiyaraj, Salem.

Chosen even before being formed in the mother's womb!

In 1997, the Good News Festival was held in Manapparai. Dr. AnandaStira had come for that meeting. I had no child attended the meeting with sorrow. At the end of the meeting, Brother prayed for me and said, "The Lord will bless you with a boy baby. You should dedicate him for His ministry". We immediately agreed to his words. Within a month, my wife conceived. A boy baby was born to us in 1998. Now my son is 25 years old and is serving as ICM Pastor in an AG Church. Praise be to the Lord who had chosen him, even before he was formed in the mother's womb"

Bro. Jebaraj, Manapparai.

God exalted my daughter

Like a father, Dr. AnandaStira used to prophetically pray for us right from when I lost my husband and was in sorrow and when we shed tears for my daughter Roselyn's higher studies, job at abroad and particularly for her exams. Hearing dear Brother's prayers, the Lord has lifted up my daughter to an excellent position and has blessed her. My daughter and I, together, render help for the Ministry of Jesus and for dear Brother's personal medical expenses, as much as we can. Just as how ordinary women supported Jesus and His disciples as seen in Luke 8:3, we too are always supporting this God's servant and his family, as a vow. Glory be to the Lord!

Mrs. Fathima Lilly, Chennai.

The Lord granted a job, heeding the prayer of vow!

My name is Chandra Bose. On May 25, 2017, I went to Dubai, for the purpose of finding a job. There I was without a job for 2 months. That time I shared this with my mother, who advised me to offer a prayer of vow that I would give my first month's salary to the Ministry of Jesus, if God blessed me with a job. I also prayed, making this vow.

The Lord helped me to get a job, within a few days after this. Now it is 5 years, since I have been working as a Civil Engineer in Dubai. Praise the Lord! I offer my first month's salary as an offering for the Ministry of Jesus.

God heard my prayer

My name is Mallika. I regularly attend the Family Blessing Meeting conducted in Trichy. We had seen nearly 30 alliances for my sister's son, but nothing worked out. Last year, when I attended the meeting, I gave my prayer request making a vow that I would share my testimony during the meeting, if my nephew's marriage got settled. After this, by the grace of God, he got a suitable girl as his life partner and his wedding took place in a good manner. Praise the Lord!

My whole body had swollen. I contacted the Ministry of Jesus over the phone and requested prayers. Also, when I was praying I saw Dr. AnandaStira and Sis. Margaret Stira in a vision. I glorify the Lord for these two things. My thanks to dear Brother and family!

Weakness of 5 years vanished! healed miraculously!

My name is Devi. Since 5 years, I was physically weak during the time of my monthly cycle. I used to suffer from severe hip pain and back ache. I could not even walk. Last November, I attended the meeting held in Nagercoil, met Dr. AnandaStira in person and requested his prayers. Brother too prayed with burden. Now I am healed and the weakness has left me. Praise the Lord!

Miraculous healing and Government job!

My name is Bagyalakshmi. We are the partners of the Ministry of Jesus since the past 15 years. Several years back, there was no peace between me and my husband. After we came to this meeting and prayed, the Lord commanded peace between us. He also graciously blessed us with our second son.

My husband had appeared for the exam for government Lecturer's post. We faced a tough situation as he was unemployed. Three months before, when I came for the Family Blessing Meeting in Trichy, I met Sister Dr. Jane and requested prayers for my husband's job. She too prayed with burden and it was a great comfort. In that same month, the Lord helped my husband to succeed in his exam on merit and join as a lecturer in a government Poly Technique college. Also in His mercy, He granted him this post in Sethurapatti, Trichy itself and not in an outer district.

My elder son was hit by another student, when he was in the school. My son's right hand got fractured and the elbow had prolapsed. He could not fold his hand and had to keep it stretched out. One day, we brought him to the Deliverance Church service, and requested Rev. Dr. A. Joshua to pray for him. Pastor too prayed for him

with burden. Now he is able to fold his hand. God has healed him in such a way that he is able to ride his cycle.

I thank God from my heart for these wondrous miracles. My thanks to dear Brother and family, who prayed for us!

The Lord built houses for 3 persons!

My name is Maria Jessie Vijaya. In June 2021, when I attended the Family Blessing Meeting held in Trichy, I wrote down two prayer requests in the form, for prayers. One, that the Lord should grant me a house of my own and that He should bless my neighbour sister with the gift of a child.

The Lord granted us three fold blessing in our house matter. By the grace of God, He helped me, my sister and my brother to build a house in our own. I had written the prayer request seeking prayers for a house only for me. But the Lord helped the three of us to construct our own houses.

He also graciously enabled the sister, who is my neighbour, to deliver a beautiful girl baby after 7 years of married life.

I am working as a Maths teacher in a CBSE school in Ariyaloor. Every year, I send the list of the students of my school, who appear for their public exams to the Ministry of Jesus, for prayers. Last year, the Lord helped three students to score centum in Maths. He also granted grand success to all the students. Praise the Lord!

Miraculous deliverance from the trouble of the wicked enemy

My name is Parameshwari Kiruba. As a family, we regularly attend the meetings held in Madurai. We have three houses and we are residing in the third one. During night times, we would hear some moaning sound coming from the back of our house. So, we would be scared to go to the rest room in the back yard, at nights. Last year, when we came for the meeting, I requested Dr. AnandaStira to pray for deliverance from the trouble of the enemy.

The next day, when I was praying at home, I saw Brother standing in the place from where that sound used to come and saying to me, "You shall be blessed". Since that day, that moaning sound from the back of the house, has stopped. Till now we do not hear it. Now we are living peacefully. My son would often say that he had seen Brother AnandaStira coming to our house and praying. I praise the Lord from my whole heart for granting us miraculous deliverance and protecting us.

Jesus saved mother and child from death and granted them new life!

'O death, where is your sting? O Hades, where is your victory? - I Corinthians 15:55

My wife's name is Premila. When she conceived our child, her blood count became very low which posed threat to her as well as to the baby. Doctors said to me that both would die, if this condition persisted. At this juncture, I saw the wall poster announcing the arrival of Dr. AnandaStira in our area and I brought my wife to the meeting. During the individual prayer time, Brother prayed for my wife and said, 'Don't be afraid; you and your baby shall live. The Lord will increase the blood count'. The Lord had mercy and as said by Brother, increased her blood count. Within a few months, she delivered a healthy boy baby. Praise the Lord!

The Lord miraculously healed cancer!

I had a small problem in my throat area. Doctors tested me and declared that cancer had spread all over my esophagus and that there was no treatment for that. I could not speak; only some sound used to come from me. My family shed tears, seeing my condition. I too lost all peace and spent my days restlessly.

At this juncture, I attended the meeting conducted by Dr. AnandaStira. God's word spoken by him touched my heart deeply. At the end, Brother listened to my woeful condition with concern and prayed for me. I further attended his three meetings. The Lord touched me. I started speaking. I could feel healing taking place in my esophagus. One day, when I went to the hospital for check-up I took a few tests as per the doctor's advice and the reports said that I had no cancer. Now I am able to talk well. I sing God's songs. I do my ministry as well. I praise the Lord for giving me a miraculous healing.

Miraculous deliverance from the spirit of death

My neighbour was in death bed and was critically ill. He used to scream in agony and I could hear it from my house. One day, he passed away, thus screaming. I was thinking about it and that time I was attacked by the spirit of death. From that day, I was tormented by this spirit. I went to all places in Andhra, to get deliverance from this spirit. But it was of no use and I continued suffering. Finally, I came to the meeting conducted by Dr. AnandaStira. During the prayer time, the Lord delivered me from the clutches of that evil spirit. Now I am in good health. Glory to God!

God's Mighty Deeds by the prayers of Rev. Dr. A. Joshua during the 'Yours Deliverance Day' Meeting

Many are the wonders that the Lord is performing in the lives of the people, who participate in this meeting.

The Lord who Helped, Knowing the Need

My name is Prathibha. I am a retired P.G teacher. My son was working in a company for a low salary, since 7 years. We requested him to go for an alternate project, but he did not take any effort for this. In the meantime, he got married and it was hard to run the family with his meager income. Whenever I attend the meeting in Tambaram, I used to write the prayer request seeking prayers for his promotion.

Recently, my son attended interviews in 7 companies, out of which he got selected in 4. Now he has joined a job which gives him double the salary of what he was getting. I praise the Lord, who did this miracle!

I have a daughter. She is mentally challenged. She used to sleep throughout the day and be awake at nights. She would ask for food in the night and I had to take care of her, the whole night because of which I could not get early in the morning and pray. I was upset over this and also became physically weak.

In the reply sent by dear Pastor, he had mentioned that there would be a change in my daughter's life. I was amazed. In those days, I had not told anything about her to the pastor. Yet, I was surprised that he had remembered her, prayed for her and had sent a reply.

After this, there was lot of changes in my daughter. She does not sleep in the day time now but sleeps only at night. She, who was having only dhal rice and dosa for her meal, has now started eating all kinds of food. I glorify the Lord, who brought these changes in her life!

Sis. Prathibha, KamarajarPuram, Chennai.

The Lord who Granted Success in the Exam!

My name is Maria. When my son was doing his +2, he struggled with Mathematics and could not fare well in that. Also, he used to always play with his mobile and was not going to school regularly. The teachers always complained about him. He then failed in Maths in his +2 and was broken. All of us were highly dejected. That time, we brought our son to the meeting held in Tambaram and requested

Rev. Dr. A. Joshua to pray for him. Pastor too prayed for him with burden and sent him back.

After this, the Lord helped our son to re-write his maths exam and granted him success. Now he is studying in a college and goes cheerfully for his classes. I thank the Lord wholeheartedly, for bringing a vast change in my son's life and for granting him success!

The Lord who Brought me to the Meeting and Healed me

My name is John. I suffered a lot as my right leg was swollen. Through my friend, I heard about the Day of Deliverance meeting held in Nagercoil. So I was ready to attend it and came to the bus stand. But suddenly my mobile did not work and hence I struggled to find the venue of the meeting. That time, a sister, who was near me told me that she was also going for the same meeting and took me there.

During the prayer time, Dr. A. Joshua prayed with burden for the sick people. I too prayed. In that instant, the pain and swelling in my leg vanished. I praise the Lord, for taking me, who did not know the way to the venue, to this meeting and healing me. My thanks to Pastor Joshua as well!

*Bro. John,
Aranaamalai.*

The Lord who called my name, removed my mental burdens and who gave me Peace!

My name is Rebecca. Since the past 3 months, I was physically very weak. Also, I was oppressed by unknown anxiety, worries and tears and was mentally burdened. I came to the meeting in Nagercoil, with much mental agony.

During the prayer time, Dr. A. Joshua called out my name and said, "Rebecca, you have come here with lot of problems and worries. The Lord removes them all and gives you peace right now". That very moment, I felt peace entering into my heart. My mental burdens were removed. I praise the Lord, who called out my name through dear pastor and who gave me peace.

Sis. Rebecca, Kanyakumari.

The Healing Wind of God Healed me!

My name is Florence. I am a partner of the Ministry of Jesus. Thrice, the Lord delivered me from the bondage of death and gave me new life. Recently, I fell down from the bus which caused severe pain in my shoulders and neck. I came to this meeting in that condition.

During the prayer time, I was praying with tears. That time, Rev. Dr. A. Joshua said that the healing wind of the Lord was blowing. In that instant, my shoulder pain was gone. Praise be to the Lord, who gave me a miraculous healing.

Sis. Florence, Kanyakumari.
