(ANBARIN OOOZHIYAM) March - April 2024

***The Lord God is my strength;  
He will make my feet like deer's feet,  
and He will make me walk on my high hills.***  
*(Habakkuk 3:19)*

## Plenty are the Might Deeds of the Lord Performed in the Family of a Sister, who is a Partner with the Ministry of Jesus for 20 Years!

*We were born and brought up in a family that did not know Christ. We underwent lot of agonies because of the bondage of witchcraft. We came to know of Christ, through a particular sister.*

### Deliverance from the Bondage of Witchcraft

*20 years back, Dr. AnandaSthira had come for a meeting held in a church in Kumbakonam. During the prayer time, Brother told us that the Lord was breaking the bondage of witchcraft done against us, several years back. Since then the Lord has granted us deliverance and peace. From then on, we have become partners of the Ministry of Jesus.*

### Got Electricity Connection

*Since we had accepted Christ, the people in our village rose against us and caused us many troubles. Our house was situated in a garden. 100 people from the village signed a petition against us saying that electric connection should not be given to us and handed it over to the AE. That time I had come to attend the Ministry of Jesus meeting held in Trichy and I had written my prayer request, seeking prayers to get electricity for our house. I also requested Brother to pray for this. The Lord had mercy. He helped us to get the electric connection despite many obstacles.*

### Victory in Brother's Studies

*It was I, who brought up my younger brother. Since I am an illiterate, I wanted to educate my brother well and so every month, whenever I attended the meeting held by the Ministry of Jesus, I used to write down this prayer request. By the grace of God, my brother had completed Ph.D. Also he got saved and has received the anointing of the Holy Spirit.*

### Deliverance from the Bondage of Death

*Last year, my father was in death bed. Our family had even arranged for the coffin. That time I rushed to the meeting held in Trichy. I told about my father's condition to Dr. Jane Joshua and sought her prayers. Sister prayed for my father with great burden and said that the Lord would take care of him and that he would get up and walk. I also made a vow to share my testimony. The very next day of the prayer, my father got up from his bed and started walking. He is now in good health. Whenever I attend the meetings, dear Pastor and dear mother fondly call me as 'daughter' and pray for me with burden. Today, we are living with zeal for the Lord, as His testimony. With our whole heart, we thank the Lord for that. We also express our loving thanks to dear Brother's family! – Mrs. Vanitha Mary, Tanjore.*

## From the Editor...

My dear brothers and sisters in Christ, my loving greetings to you in the mighty and powerful name of our Lord Jesus!

Our Lord is the only One, who rescues and saves us; He alone is the living God; His Kingdom is eternal and stands forever till the end. Realizing this, you should believe Him whole heartedly and work for this Kingdom. Then, all your matters shall be victorious.

For He is the living God, and steadfast forever; His Kingdom is the one, which shall not be destroyed and His dominion shall endure to the end.

He delivers and rescues and He works signs and wonders in heaven and on earth who has delivered Daniel from the power

of the lions (Daniel 6:26-28).

I encourage you to increase your prayer like Daniel; pray for the nation; pray much for the forthcoming parliamentary and Lok Sabha elections. Pray that God should appoint the rulers of His will and choice and also pray for our future. God has given the authority in our hands to determine things of the nation, like Esther did. So, pray earnestly. Our prayers would reveal to the world that the Lord Himself reigns over the world, according to the verse that says that 'Daniel prospered'.

Last month, on the occasion of my father's birthday, you personally visited us and

# High Places

God's Message: Rev. Dr. A. Joshua

*My dear brothers and sisters in Christ, I greet you all in the sweet and matchless name of our Lord Jesus Christ! May the Lord, who has graciously helped us to enter into the fourth month of this New Year, keep you as the apple of His eye and lead you!*

***The Lord God is my strength; He will make my feet like deer's feet, and He will make me walk on my high hills (Habakkuk 3:19).** The Lord is faithful to bless you according to this promise, even this month. On the basis of this promise, I would like to share with you a few points, for your blessings.*

*The Lord's words are always 'Yes and Amen' in our lives. Also, His Words always bring a change, an impact and a difference in our lives. I, hereby invite you to meditate and ponder on the basis of Habakkuk 3:19.*

## **He will make you walk on High Places**

*This year, the Lord is going to take you to a high status and bring about a*

*revival in your life. This month, He would look upon you, who are in a lowly state and take you to a higher place. This may be a high place in your spiritual life or in your family life or He may command a progress and growth in your business. He shall elevate you both physically and spiritually. Making you walk on high places is a sign of progress.*

*In the spiritual life also, He is going to give you spiritual authority, leadership and a commanding. At the same time, in the worldly realm also, He is going to give you power, position and responsibility and keep you in higher places.*

*When God remembers to elevate you in your business or in your job or in your family matters, nobody can hinder it. However, it is not easy to reach this higher place. This would be rather difficult!*

*Generally, a person has to face lot of hurdles, unexpected problems and few*

afflictions, while trying to achieve a target given by any company. Only by overcoming all these, he/she can achieve the target.

In the same way, sometimes, we face unwanted stress, dejection, problems and obstacles that hinder us from growing in our worldly and spiritual life. However, only when we overcome these things, we can reach a higher level in our spiritual and worldly life. We need to focus only on the goal that is set before us. *Instead, if we focus on the obstacles and challenges that lie ahead of us, we can never reach the goal. On the other hand, when we keep progressing, looking only at our goal, all the obstacles would be broken on their own.*

The devil would bring unwanted sickness and mental agonies. He challenged God about Job. Only when all these are broken, a high place could be reached in the spiritual realm. David says, *“For by You, I can run against a troop”. The reason, the power and grace of the Lord was in him.*

*As seen in Deuteronomy 32:13, 'He made him ride in the heights of the earth', the Lord would make you ride in high places. He wants to keep you in*

*high places. However, sometimes, we go downwards, on our own.*

*'He makes my feet like the feet of the deer, and sets me on my high places' (II Samuel 22:34). This was sung by a king. The same verse is seen in Psalm 18:33. The Lord will make you walk on high places. So, do not be dejected! Believe that the Lord who makes us walk on high places would lift you up and establish you, even this month. You shall surely see miracles.*

What should we do, before He takes us to high places? Firstly, in order to be taken to high places in your spiritual life, you should act with prayer. Then it would be easy for you to reach worldly heights. Some people would ignore spiritual elevation and would keep asking only for worldly promotions. When you first seek spiritual elevations, all worldly heights could be attained, automatically.

The Lord has kept two ways for you to grow in your spiritual and worldly life and reach high places. Let us see about these, further:

### **The Lord shall be your Strength**

Habakkuk 3:19 says, 'The Lord God is my strength'. This strength does not

*refer to the strength to do an ordinary job or such things. Rather it refers to a special strength that helps us to do extraordinary things or things which nobody else can do.*

*When the Lord is your strength and power, nobody can stand against you. When He is your strength, all the challenges that come against you would be shattered. 'God is my strength and power' (II Samuel 22:33).*

*When we have the strength of the Lord, all the hardships and difficulties would be shattered to pieces.*

*David firmly says in Psalm 27:1, 'The Lord is the strength of my life; whom shall I fear?' At the same time, the Lord also will give strength to His people (Psalm 29:11). If you are His son or daughter, the Lord will give you strength. Another Biblical explanation says about this as 'personal bravery'. Samson killed thousands with the jawbone of a donkey and how did he get the strength to do this? Then Samson said: "With the jawbone of a donkey I have slain a thousand men" (Judges 15:16).*

*From where did David get the strength*

*to tear up a lion like a lamb? 'And Saul said to David, "You are not able to go against this Philistine to fight with him; for you are a youth, and he a man of war from his youth'. But David said to Saul, "Your servant used to keep his father's sheep, and when a lion or a bear came and took a lamb out of the flock, I went out after it and struck it and delivered the lamb from its mouth; and when it arose against me, I caught it by its beard and struck and killed it. Your servant has killed both lion and bear" (I Samuel 17:33-36). A huge army, like Goliath, who could not be defeated by anyone, may rise against you; yet, when you have the strength of God, you can easily triumph over it. You may possess great wisdom and excellent skills; yet, you can triumph over everything only when you have the strength of the Lord.*

*You need not fear on seeing those, who are far wiser than you are. The reason, when the strength of God is in you, you can do far more excellent things than they could do. On that day, horses and chariots of fire surrounded Elisha's place (II Kings 6:15-19). However, because of the strength of the Lord in him, those who had surrounded him*

were struck with blindness and did not know what to do. It was Elisha who led them by hand to Samaria. This is the strength of the Lord. Perhaps, you are baffled in life, over certain things, thinking that they cannot be overcome or borne. However, you need the Lord's strength for this.

*Dear children of God, think awhile! The Lord has a great plan to lead you to high places. Don't lose His great plan by seeing the small problem in life. If the Lord is your strength, you can easily be victorious over that problem. Surely you can overcome that; you can handle it by your hope on Him and succeed and walk on higher places.*

## **He will make my feet like Deer's Feet**

*The Lord teaches us a lesson, through one of His creations, created by Him. He will make my feet like deer's feet, and He will make me walk on my high hills (Habakkuk 3:19). Here, an animal is compared to, when it is said, 'He will make my feet like deer's feet'. Unless your feet become the feet of a deer, you cannot reach high places. The Lord teaches us a good lesson through the 'feet of the deer'. Every*

*single creation of the Lord is wonderful. Certain translations of the Bible refer 'deer's feet' as 'Hind's feet'. However, the meaning is the same and refers to deer only.*

*Let us see two verses on the basis of the Scriptures. 'Naphtali is a deer at loose' (Genesis 49:21). He makes my feet like the feet of deer, and sets me on my high places' (Psalm 18:33; II Samuel 22:24).*

*Both the terms 'deer's feet' and 'Hind's feet' have the same meaning. Hind refers to a kind of adult, female red deer. In short, it could be taken as the 'feet of deer'.*

*Gazelle is yet another species of antelopes (deer), which is quite attractive. Through such wonderful living species, the Lord teaches us a valuable lesson.*

*With the 5 characteristics that are seen in the feet of deer, you can also reach high places. Let us meditate on those five characteristics, one by one.*

### **1.They have firm Feet**

*Among other animals, deer is the most important animal that has firm feet. They have a firm grip; they could walk on rocks exactly and with no sound.*

*They can walk without any faltering or stumbling even on mountains. Their feet are **sturdy foot rests** and hence they are called sure footed animal.*

*Dear children, **you may want to go to high places. It is indeed good. The first step you take or the first decision that you take, should be very firm. There should not be any fumbling.***

***The first step you take – the first effort you take in your business or the first new job you join – should be firm. Only when you take firm decision, you can go to higher places. Instead, if you have two minds and wavers in taking decisions – whether this or that – you cannot go to higher places.***

## **2. Paying Good Attention**

*Deer keeps its feet on exact positions. It places its hind legs in the exact place where it keeps its forelegs. Focus or keen attention is very important to go to higher places. Your attention should be keen and it should not scatter to the left or right. No matter, how many distractions you may face, your focus should be precise. Only then you can reach higher places.*

## **3. Work Actively**

***Deer are symbols of agility. The feet of***

*deer are quick and nimble. Deer are symbols for being active. 'Go to the ant, you sluggard! Consider her ways and be wise'. Yes, according to Proverbs 6:6, there is a lesson that we ought to learn from the ant also. Ant is a tiny living being. If you are lazy, you cannot go to high places. The feet of deer are always agile and quick. Only when you have the feet of deer, you can go to higher places. Today, is laziness seen in your life? Examine yourself! 'Laziness casts one into a deep sleep, and an idle person will suffer hunger' (Proverbs 19:15).*

*You should go to church on Sundays, briskly. When the Lord has given you several talents and skills, you should not limit yourself. The Bible says, 'Then the lame shall leap like a deer' (Isaiah 35:6).*

## **4. Quick in Action**

*It could be said that the deer is a fast runner animal. Some animals could be seen to move around slowly. But a deer has the feet to run fast to save itself, when it senses that it is being hunted. It is very hard for other animals to catch a deer, since it runs very fast. In order to go to higher places, we too need to*

*act quickly like the feet of the deer.*

*We should learn to complete our daily work on that day itself. For example, those who hold a teacher's position can reach the level of a Headmaster/Headmistress, only when they do their teaching job in an excellent manner. Only those who act quickly like the deer can reach higher levels.*

## **5. Proceeding Boldly**

*The feet of deer have the ability to boldly proceed even on surfaces where no other animals can tread. The deer can easily climb up mountainous and steep places, without faltering. They have the feet that can boldly go ahead and correctly without any fear or hesitation. In fact, mountains are the habitats of the deer. You too shall be in high places, this month.*

*Through you the Lord will do things which no one can ever do. The strength of the Lord will make you do such things. You should take this as a profound and good lesson. When you follow these 5 characteristics that are seen in the feet of the deer, surely the Lord will make you also to walk in higher places.*

*The Lord teaches us a few things through the ordinary feet of the deer:*

*1. Take a firm decision, without retracing your step.*

*2. Do not take away your attention or focus from that which you want to attain. Attention is very important.*

*3. Laziness should not be there in our spiritual as well as worldly life.*

*4. Quickness or agility should be there. Nothing should be postponed for the next day.*

*5. The Lord will make you do things which nobody else can do. The Lord Himself shall be your strength and take you to higher places.*

*My dear brothers and sisters, who are reading this message! Commit your life fully to the Lord right today and follow the 5 characteristics that you have learnt from the feet of the deer, in your life! The Lord Himself will give you the strength that you need, make you grow and become successful in your spiritual and worldly life and enable you to walk on higher places and dwell there. May God graciously help each one of you to receive these blessings, even this month!*

# Praise Report

## The Lord Removed Suicidal Thoughts and Granted a New Life!

*My name is Samuel Anbudoss. In the year 2005, I faced a loss because of which I thought of ending my life. I was in deep mental agony. That time, Dr. Ananda Stira's meeting was held in Kolar Gold Field. After praying that the Lord should give me the strength to live, I attended the meeting. I was seated in a corner. During the prayer time, Brother called out my name and said, "The Lord loves you". The moment I heard this, all my sorrows and grief left me instantly and I received peace. Within few days the Lord helped me to come out of that loss. I got a job in Kuwait and I went there. Here, I shared about the Lord's doing in my life with lot of Arabs (Psalm 106:2). Praise the Lord! My thanks to dear brother!*

*- Mr. Samuel Anbudoss, Karnataka.*

## Answered my Prayer of Vow!

*We faced lot of obstacles to sell off our land, since several years. In 2023, the individual prayer for the partners of the Ministry of Jesus was held in Trichy. I came for that meeting and wrote down two prayer requests which I gave to Dr. Ananda Stira and requested him to pray for them.*

*Brother prayed for me with great burden and sent me back. He asked me to make a vow and pray. Within a few days, the Lord helped us to dispose of that land for a good price. I am giving my vow offering to the Ministry of Jesus. In another land matter, our relative refused to hand it over to us; yet the Lord did a miracle by making another person who had bought that land from them to sell it off to us. The Lord also helped my son to get centum in all the subjects in his exams*

*- Mrs. Packialakshmi, Lalgudi.*

## Miraculous Healing

*My wife fell sick quite suddenly and her condition started worsening and became serious. Immediately I contacted the Ministry of Jesus through phone and requested prayers for my wife's healing. They prayed with burden for her. After that she was healed and now she is in good health. Praise be to the Lord who has given her a miraculous healing!*

*– Mr. Paulraj, Karungal.*

## Way Opened for an Income

*During the corona period, we had to close down our company. It was kept under lock for 3 years. I am doing part time ministry. ## Blessed with the Gift of a Child

*I had no child even after 5 years of married life. I took several treatments for that but in vain. Everybody in the family yearned for an heir. I regularly watch the Comfort of Jesus TV programme. Few years back Dr. Ananda Stira had come to a meeting conducted in Vellore. During the individual prayer time, I met Brother in person and requested prayers for a child. Brother too prayed for me with burden. The very next year, a child was born to me. I praise the Lord for this!*

*– Mrs. Joyce Mary, Katpadi.*

## Sickness Gone

*I suffered from ring worm for two years. I wrote a letter to the Ministry of Jesus, seeking prayers for my sickness. The Lord heard the prayers of Dr. Ananda Stira and his family and granted me complete healing. Praise be to Jesus, who has given me a miraculous healing. My thanks to the Ministry of Jesus!*

– Mr. Rajan.

## Deliverance from Epilepsy!

*My two children used to have an attack of epilepsy at nights, while sleeping. When I attended the meeting held in Nagercoil, I requested Dr. Ananda Stira to pray for my children. Brother too prayed for them with burden and sent me back. Since that day, they do not have that attack anymore. They are in perfect health. Also, the Lord has delivered us from various problems in the family. All glory be to the name of the Lord Jesus Christ!*

– Mrs. Gowri shankari, Nagercoil.

## Saved my Son!

*My son went astray and did not study properly. I continued attending the meeting held in Nagercoil and prayed with tears for him. I also wrote down the prayer request seeking prayers for him. I got a reply from the Ministry of Jesus and Brother had said that the Lord would meet my son. After this, we could see lot of changes in his behaviour. The Lord Himself transformed him into His son. He gave him wisdom and graciously helped him to complete his B.E. Glory to God! My thanks to the Ministry of Jesus as well!*

– Mrs. Mary Latha, Nagercoil.

## Got the Promotion!

*My husband is working in the Corporation. Since he is obese, he found it difficult to do hard works and he also became very weak. Last October, I visited the Ministry of Jesus Prayer Centre and got prayers for my husband's promotion. The Lord had mercy, miraculously. He got his promotion within January 15<sup>th</sup>. Praise be to the Lord, who has wiped*

*away our tears*

– Mrs. Bhanumathy, Trichy.

## Baby Born Safely!

*When my daughter-in-law conceived, she developed complications on the 3<sup>rd</sup> month and suffered a lot. That time I attended the meeting held in Nagercoil, met Mrs. Margaret Stira in person and requested her to pray for my daughter-in-law. Sister too prayed with burden and said that the Lord would help her to deliver the baby safely without any problem. Accordingly, the Lord has blessed her with a beautiful baby. Praise the Lord! Our thanks to dear Sister, who prayed for her!*

*– Mrs. Vijila, Nagercoil.*

## Two Tumours Vanished

*I regularly attend the meeting held in Nagercoil. Plenty are the good things that the Lord has done in my life! No words are enough to thank Him. I had two tumours on my neck. I wrote about these in the prayer request form. During the personal prayer, I showed this to Dr. Ananda Stira and got his prayers. The Lord removed those tumours completely. Glory to God! My thanks to dear Brother and family who prayed for me!*

*– Mrs. Arputham, Konankaadu.*

## Miraculous Healing!

*I had constant tremor on my jaws. I continued attending the meeting in Nagercoil. At the end of the meeting I requested Mrs. Margaret Stira to pray for this problem. Sister too prayed for me with burden. Since that day the Lord has delivered me. Now there is no tremor.*

*– Mrs. Mariammal, Tirunelveli.*

## Healed without Surgery!

*I suffered from sinus problem for a long time. The doctors, who tested me, said that I should undergo a surgery. I attended the meeting held in Trichy, with a troubled mind and met both Dr. Ananda Stira and Mrs. Margaret Stira in person and requested prayers. Both of them prayed with burden for me and sent me back saying that the Lord would grant me healing, without any surgery. I whole heartedly thank the Lord who has given me a miraculous healing!*

# S.J.SAVES TRUST

A Charitable Trust for the Welfare of the Destitute 'For He will deliver the needy when he cries, the poor also, and him, who has no helper'.

(Psalm 72:12)

Dear children of God,

As we know, in the last months, heavy rains and winds lashed out in Chennai, Tuticorin, Tirunelveli, Tenkasi and in the banks of River Tamirabarani, causing heavy damage to several thousands of people. We know that such natural calamities are a common occurrence in these last days. In a single day, certain places have received rains to the measure of 199 cms. Just think a while! Who can escape such a heavy rain?

It was quite saddening that in Tuticorin, right from small residences to big companies, everything was washed away by the flood, including essential things, cattle and other basic materials.

Several of our brothers and sisters have been in waters, without food and water for up to 5 days. We know about the heavy damages caused in Chennai and in South Tamil Nadu. Hence, we must help such people, who languished and suffered having been caught up in this unexpected crisis.

Through our S.J Saves Trust, Bed sheets and 18 essential cooking items and rice were distributed among 100 families in Sorispuram, Tuticorin. The need is as enormous as a sea but our help was only a mite. Let us thank our dear Partner, Mr. Matthews who helped for this, all by himself.

Let us pray that no further damages are caused for lives or any other things.

We also convey our gratitude to dear brothers Mr. Antony and Mr. Bala, who helped us in the local area.

Let us continue to proceed doing such charitable services.

# S.J.SAVES TRUST

# Services of the S.J.S.T Hospital

*In Luke 16: 19-31, the Lord Jesus has beautifully spoken on an incident about poor Lazarus. Today, the various troubles in people's lives cause them to ignore others' poor conditions. Hence, we forget even the helps done by our loving Lord during times of crisis in our lives. But we should never be like this. Rather, without going weary, we should always help the people who suffer. (Galatians 6:9; Romans 2:10; 11 Thessalonians 3:13).*

*Apart from being happy, we should also make others happy. We should be mindful of others' burdens and worries. When we follow this, through us the Lord will keep away thousands of people from poverty, sickness and deprivation.*

*We express our gratitude to all those who helped us in this medical services.*

## The Lord's Miracle through the prayers of **Rev. Dr. A. Joshua**

### **Tumour near the Brain Vanished!**

In 2017 I suffered from excruciating headache. It was worse than labour pain. I used to roll on the floor of my house and scream in pain. When I went to the hospital for testing, they said that I had a tumour near the brain and that I needed to undergo a surgery. I consulted three hospitals and all of them said the same thing. After this I attended the meeting held in January in the year 2018. That day, Rev. Dr. A. Joshua, shared the New Year promise message on the Scripture, **'To you, who fear My name the Sun of righteousness shall arise with healing in His wings' (Malachi 4:2)**. After the message, I met him for personal prayers and requested him to pray for my headache and for the tumour. He too prayed with burden for me and sent me back saying, "You shall be made well; go back in faith". Since that day, I have no headache. I am in good health. The Lord is protecting me in such a way that even when I have fever, I don't suffer from headache. It is 8 years since I have been healed and I have not undergone any surgery. I whole heartedly praise the Lord who has given me this miraculous healing. In 2020 I attended the meeting and prayed for my daughter's marriage. The Lord has blessed her with a suitable life partner and she has a child. I thank dear Pastor, who prayed for me!

### **Son's Sudden Transformation!**

In 2022, my son stopped going to college and stayed at home. So, all of us were in agony. One day, Rev. Dr. A. Joshua shared God's message in the Comfort of Jesus programme telecast in the Nambikkai TV and finally offered prayers. I too joined him in the prayer and prayed for my son. From the next day, he started going to the college. Now he has completed his studies. I have eagerly come to this meeting in Erode to share this testimony
